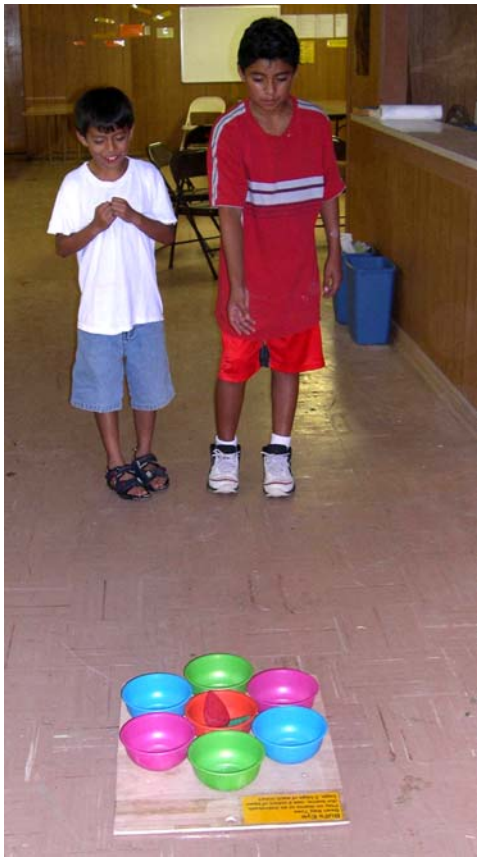
Bull's Eye Bean Bag Toss Game

This is another way to have fun tossing bean bags. This is a good story recall game and is a lot of fun when played **with two teams** so two individuals are going "head to head". One can also use haki sacs instead of bean bags, but balls tend to bounce out of the bowls.

Materials needed:
1. 20" x 20" x ¼" AC plywood.
2. 7 cereal bowls (cf. Dollar General®, WalMart)
3. 7 - 1/4" x 1" bolts with nuts and lock washers.
4. Label: **Bull's Eye**
   Bean Bag Toss
   (for teams, use 2 colors of bean bags. 2-5 bags of each color.)
5. 10 bean bags of two colors (5 each color).

Assembly:
1. Cut plywood.
2. Drill a 1" hole in the center, top of the plywood to use in hanging the game for storage.
3. Drill 1/4" hole in each bowl.
4. Place bowls in desired pattern.
5. Mark and drill 1/4" holes in plywood.
6. Make scoring points labels (e.g. 40, 50, 70, 100) and attach to inside of bowls.
7. Attach Game label to the top.

Hint: Keep the bean bags in a box near where the game is stored.



Teams take tossing bean bags.

Scoring options:

1. Play that when a bean bag stays in a bowl (ex. 50 pts), the team get points or
2. Play that only the last bean bag in a bowl gets the points (for older boys, this gives them an incentive to try to 'cover up' the other team's bean bag and thus negate their score).
