FURNITURE BUILDERS

The furniture builders are working at **Pineywoods Baptist Camp in September**. We will be at Pineywood through October and possibly into November. We are looking forward to seeing everyone again and getting back to work. As we have mentioned in the last several newsletters, there will be plenty of RV sites for anyone who wishes to come.

As for future jobs, we have had a recent inquiry from Falls Creek camp in Oklahoma. At this point, it will most likely be scheduled for next spring around the first of March. There will be a limited number of RV sites at this camp and we're not sure about room availability. Hopefully, we will have more information available in the next couple of newsletters. Also, Glorietta may be scheduled for late summer or fall of 2009.

If you have received your copy of the September Male Call, you noticed the picture of the new additions to the Dixon Building in Dallas. Part of that addition will be to add more office space on the South end of the office complex. We have scheduled the project for **January 2009**. More information will follow.

As most of you know, Chuck and Sue Cospers have elected to step down as Coordinator of the Project Builders Group. They came on board in 2003 and their first project was My Father's House Lubbock. They have been involved in projects all over Texas and numerous other states. Chuck says he will stay active with the Texas Baptist Men. What great servants and leaders they have been. They will be missed. We will be having a time to honor Chuck and Sue for all they have done for the Texas Baptist Men and most of all for the Lord. Thank you Chuck and Sue and God Bless You Both.
