FURNITURE BUILDERS

The furniture builders will be starting the job at **Pineywoods on September 2nd** as scheduled. We are looking forward to seeing everyone again and getting back to work. As we have mentioned in the last several newsletters, there will be plenty of RV sites for anyone who wishes to come.

As for future jobs, we have had a recent inquiry from Falls Creek camp in Oklahoma. At this point, it will most likely be scheduled for next spring around the first of March. There will be a limited number of RV sites at this camp and we're not sure about room availability. Hopefully, we will have more information available in the next couple of job schedules. Also, Glorieta may be scheduled for late summer or fall of 2009.

Melvin Williamson

PROJECT BUILDERS

September 8-19, 2008

Community Bible Chapel

209 E. 3rd

Spur, Texas 79370

Pastor: Dr Ned Hicks

Phone: 806-271-4416

From the south (Abilene-Sweetwater area), take State Highway 70 north to Spur, turn left on Willard St. to 507 No. Willard. This is the pastor's house, a large, older, yellow house, on the right side of Willard.

From the north (from Clarendon, Turkey, Dickens), take State Highway 70 to Spur. Turn right on to Willard St. to 507.

The pastor will give directions to RV parking--which I understand is just across the street from the parsonage, and also, just across from the FBC. For those who choose not to bring their RV, a number of rooms will be available at the Spur Inn and Holder's Guest House. The pastor, Dr. Ned Hicks, will have all the information and directions for these. 806 271-3387 or 806 269 7729 (cell).

The Community Bible Chapel is about 3 blocks, S.W. of the RV parking site. I think I mentioned earlier--if there are more workers than can be used on the auditorium expansion, they have a Hospice House that is in the process of being remodeled. Any extra or surplus workers can work in this house: sheetrock, minor plumbing, texturing, painting, etc.

November 3-21, 2008 First Baptist Church, Monticello,
